

# GOALS

## *Utah State Board of Education*

### MISSION STATEMENT

Provide leadership, vision, and advocacy so that all students have educational opportunities to meet their potential and achieve competency.

---

GOAL 1: Actively advocate for increased funding to provide quality education for all children and meet the demands of changing enrollments.

---

GOAL 2: Promote competency and the achievement of high learning standards for each child while partnering with families, educators, and communities in various ways.

---

GOAL 3: Ensure quality teachers for all Utah children.

---

GOAL 4: Close the achievement gap by raising the achievement of students with unique challenges such as English Language Learners (ELL), ethnic minorities, the economically disadvantaged, and individuals with disabilities.

---

GOAL 5: [Internal Only] Increase awareness and support of public education in the state of Utah.
